WE FEEL CONFIDENT YOU
CAN'T FIND LUNCHES LIKE
OURS ANYWHERE ELSE!

We deliver and set up freshly prepared foods

We hand wash, hand cut and prepare your food super fresh to make your catered event taste great and look fantastic, wowing your guests!

And we think being sustainable is important

Even for quick lunches, you and your guests will be served from real plates, using real silverware. We'll tend to your buffet during your event. And when your guests are done, we'll clean up AND we'll take the dishes home and wash them, instead of throwing them away!

We offer a unique and delicious special event experience, serving stuff like BLTs, French Dip Sandwiches and our incredibly fresh and tasty Cobb Salad Bar.

We can serve your guests any one or combination of:

- Breakfast/Burrito Bar
- Cobb Salad Bar
- BLT Sandwich Bar
- French Dip Sandwich Bar
- Homemade Soup and Sandwich Bar

Of course, we can work with you on any special requests for your menu!
